What information do we collect?

- **Contact form:** We collect the personal information (name, email address) you provide us when contacting us through a webform. This data is collected in order to respond to contact requests. We also record the time and date when the form was submitted.
- **Cookies:** Our website uses cookies via **Google Analytics 4 (GA4)**. These cookies are information about the use of an internet service that include the number of users, session statistics, approximate geolocation and browser and device information.

The website usage is recorded anonymously using log files and cookies. The user's personal information (name, email) is not linked to traffic statistics. We collect this information to better understand how our visitors use our website and to aid our marketing. You may disable the use of cookies by adjusting your browser settings.
